*Welcome*

It is a pleasure to manage a sale where good cattle are offered. The consignments in this sale represent three of the Midwest's top Shorthorn herds. These three herds are owned by men who try to have the best Shorthorns that can be produced. They have all served as officers and directors of the Kansas State Shorthorn Association. They do not need to be introduced, as this is their 5th Annual Sale.

Many men have repeatedly bought in this sale. Buyers like the condition of the cattle. These cattle will not be over-fitted. Many will be sold just off grass. Some outstanding 4-H heifers will be sold; also a few steer prospects will be offered.

Just study the great sires and dams back of each pedigree in this sale. Pages could be written about the sales and show winners of the great sires represented in this sale. Just satisfy yourself—be your own judge. See some of the best Shorthorns of the breed. Attend the Cummings, Elliott, and Ralstin Shorthorn Sale, Saturday, November 20, 1965, Dodge City, Kansas. You will enjoy seeing the cattle sell.

**STANDARD GUARANTEE**  
**(Recommended by American Shorthorn Association)**

- A. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
- B. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
- C. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age, shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
- D. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of a freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction to all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
- E. In the event an animal is returned by the buyer to the seller as a non-breeder the buyer must furnish to the seller a veterinarian's certificate showing that his herd is healthy if such a certificate is required by the seller.
- F. All animals catalogued have been tested for T.B. and are clean, and have also passed a test for Brucellosis thirty days prior to the sale, or are accompanied by a Bangs Vaccination Certificate. Announcements will be made covering animals not clear from vaccination.
- G. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females showing names and record numbers of sire and dam, as well as service date.
- H. All prospective buyers should check health requirements of their states. Health certificates will be provided with each lot sold.

**NORTHWOOD ADVENTURE**—The most popular bull in the record making Northwood Sale where we purchased him for \$5,000. Northwood used him liberally and some of the first calves sired by him at Northwood are most outstanding. His dam is one of the best females in the Northwood herd, and was purchased for \$3,800 in the 1958 Louada Manor sale. Gordon Blackstock said that another daughter of hers, Northwood Broadhooks 2nd, purchased in the Northwood sale for \$5,100 by Temple Farms, Wadsworth, Illinois, was one of the best females ever to be sold any place at auction. We are pleased, therefore, to have been able to buy Northwood Adventure, and we are selling six of his heifers. Some of the females in this sale are mated to him.
